# Foreword and Dedication

Our schooldays have passed, and in their place are left only fond memories. We hope this book will help us to recall some of these—the echo of laughter through the halls, the sight of the snow-covered lawn in winter, the familiarity of the class-rooms, and all the other happy moments we spent under the “big top” of Carlisle High School.

It will also recall to us the memory of one who helped to make our schooldays one of the “greatest shows on earth.” Always ready to counsel an individual boy or girl, her supervision made our Junior Prom, as well as our junior year, a star production we shall never forget.

To the memory of Mrs. Mary Bobb Karns, affectionately known to all as “Mom,” we sincerely dedicate this book.

# Producing Staff

**P**eanuts! Cotton Candy! Strong men! Yes, all different phases of circus life became familiar to the Oracle Staff. All of us carried on a private three-ring circus while securing advertising, identifying photographs, and doing senior write-ups.

For the staff heads one of the brightlights of the year was a trip to New York City for a yearbook conference at Columbia University.

## In Our Earlier Press Releases

# Our Circus Career

**W**e performers, the "Class of '50", have had an outstanding circus career. As freshmen we idolized the upper-classmen, hoping that the day would come when we, too, could be stars in the main performance under the "Big Top." Even as freshmen our class seemed to be one with many abilities, including athletic, literary, and musical, although we still were only understudies to our favorite stars.

When we became sophomores, we had the spotlight on us as we received the Weiner Cup for our athletic ability. Not one of us will ever forget this year because we were actually included in "Big Top" performances.

Seasons passed. As juniors we starred in our first real performance under the "Big Top." Our play, "Meet Me in St. Louis," was a huge success. In the Spring of that year, juniors, seniors, and faculty members got their first taste of real circus life at our junior prom. Our class, under the supervision of Mom Karns, won plaudits from far and wide. Again the performers of our class received many awards, among them the Weiner Cup for the second year.

Now as seniors we are at last the "star performers" in the center ring. Our Oracle has proved a "stupendous, colossal, magnificent production." We presented one of our last performances under the "Big Top," our play, "Anne of Green Gables." We have now reached the end of our circus career; our senior class ride and commencement have added a grand finale to our last performance. We retire from the circus knowing that our class had the largest troupe ever to perform under the "Big Top."

## QUILL AND SCROLL

*Seated:* SHIRLEY TIMMENS (*vice-president*), JOAN McCULLOUGH (*president*), ANNE STAYER (*secretary*).

*Standing:* Nils Noaker, Elizabeth Swaim, MRS. OELLA SCOTT (*adviser*), Yvonne Martin.

THE PERISCOPE, the "Eyes and the Ears" of the school, is the official newspaper of C. H. S., striving not only to inform the students of the school activities, but also to bring the community and its programs into C. H. S. The paper has received first place ratings in both Quill and Scroll and in the Pennsylvania School Press Association.

For the second time, the Periscope has sponsored a weekly radio broadcast over station W. L. X. W. It features news on sports, general school news, and departmental school news.

## JUNIOR CLASS PLAY

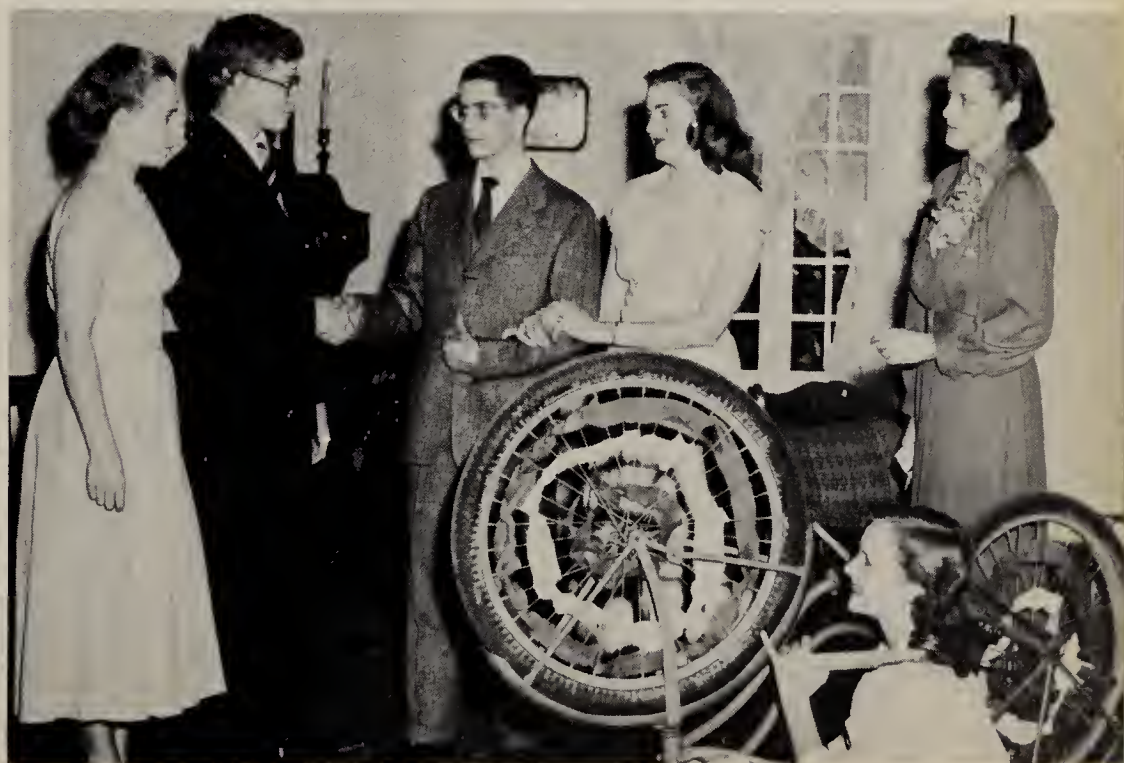

One of the chief attractions under the "Big Top" was the Junior Class Play, "Seventeenth Summer."

Angie fell in love with Jack Duluth and lived a wonderful summer until she and Jack quarreled. Angie was ready to leave for College before Jack arrived to say he was sorry. Everyone in the audience breathed a sigh of relief when Angie's "Seventeenth Summer" ended happily.

Miss Derr and the cast deserve a lot of credit for their splendid work in turning out a "big attraction" in spite of the handicap of time.

Last year in the Oracle, the 49'ers said about this year, "South Penn Conference, Look Out!" and look out they did, because Carlisle quit clowning around, got down to business (results 6-4-1), and landed in third place. The ringmaster, Ken Millen, moulded his varsity eleven from subs and JV stars. Entering almost every game an underdog, still Carlisle managed to hold the Mechanicsburg Wildcats on Turkey Day to a 6-6 tie.

Carlisle's line was outstanding in the Hershey clash, where the Herd held the Trojan's line and backs at bay. The best game of the year, however, was played against a non-conference member, Delone Catholic.

## JUNIOR VARSITY FOOTBALL

CARLISLE produced one of its most powerful JV football teams this year under the able coaching of Mr. Kerns and Mr. Eckert. Getting off to a flying start, the Green Hornets buzzed their way to a successful season; amassing a total of 152 points against a combined total of 51 for their opponents. For the first time in history the Hornets defeated a New Bloomfield varsity squad and ended their season by trampling the Mechanisburg JV's, 34-7. These boys will see plenty of action on the Thundering Herd the coming year.

Just as each season brings new acts to the circus, so the beginning of the 1949 school year brought touchball as a new girls' sport at C.H.S. Lowering temperatures meant kickball and volleyball tournaments in the gymnasium. The victor for the intramural volleyball tournament was Miss Hedden's homeroom, which defeated Mrs. Martin's room for the title. Kickball team 2 won all its games to emerge victorious, with team 1 as runner-up. Next on the agenda was basketball, and then came softball, and May Day activities. Next year will mean new stars and new acts.

## MAY POLE DANCERS AND ESCORTS

Crowned by her maid-of-honor, Joan Hatfield, and surrounded by the lovely ladies of her court, Queen Patricia Walters watched the May Day festivities on the High School lawn on May 12. Colorful dances, taught by Miss Joan Murphy; music by the band, directed by Mr. Nelson; striking decorations provided by a Junior Class committee advised by Miss Cook; and the supervision of Miss Hedden, Senior Class adviser, made May Day of 1950 an unqualified success.

## Baseball 1950

The 1950 baseball season was high-lighted by victory over our old rival, Mechanicsburg, 8 to 4, on the Mechanicsburg home field. Though the final scores show 6 losses to 4 wins, many games were decided only by the breaks.

Glenn Stull, catcher, had the highest batting average on the team. "Big Stoop" is always good when the team is in a tight spot. The fielding work was done by Ed. Beltzhoover, Rodney Throne, and Dave Ferree. Pitching was in the hands of John Arrich, Emmett Ober, and "Big Ron" Ahlers. Third base was covered by husky John Anderson, while the short-stop position was played by Arbegast. Johnny Geiling on second, Harry Godsey on first, and Bruce Walter and Dick Darr, all turned in fine work.

Under the able direction of Coach Harold Eckert and his assistant, Coach Sam Sanzotto, and aided by senior manager, Donald Heishman, the team made excellent progress this year.

## Trackmen Retain South Penn Title

Coaches Frank Reiff and Charles Lehman again produced a winning track squad this year, and many boys gained honors for themselves and for C.H.S. Charlie Dowd, the team's high scorer, shared the Reiff-Lehman Trophy this year with Earl Swarner, another dependable point maker. George Bogar, a good all-around athlete, established a new school record in the mile run, reeling it off in the good time of 4:40.8, and in addition could be depended on to win or tie for first in the high jump. He was also a valuable cog in the mile relay machine, made up of Bogar, Swarner, C. Dowd, Richwine, and E. Dowd. The relay team not only never lost a race all season, but won state honors as well. Another new record was posted by "Dizzy" Richwine, who, in the district contest, won the 440 in 52.6, giving Carlisle one of the three "firsts" which qualified C.H.S. for State competition. May these winning ways long continue!

## JUNIOR PROM DELIGHTS ALL

"The Bicentennial" was the theme of this year's Junior Prom, held on June 2. David Ferree, junior class president, gave a few words of welcome to the seniors and to the faculty, introducing the celebrities of "Our Town." Bill Turner, senior class president, Mr. Cartwright, Mr. Burkhardt, and Mr. Hench spoke, and Nancy Daugherty, junior treasurer, presented corsages to Miss Adams, Mrs. Cockley, and Miss Hoover in appreciation of the work they did for the prom.

Dancing to the music of Red McCarthy and his orchestra followed, in a gymnasium decorated to suggest the Carlisle of 200 years ago. Refreshments were served in the cafeteria, where entertainment reminiscent of various periods was presented by members of the class of '51. More dancing concluded a gala evening.

"What? A Stockade for the Faculty!"

It's an old legend that those who drink from Carlisle's old pump will always return to Carlisle. The Juniors join the school in wishing a rosy future to the class of 1950 and invite each one to drink from the pump so that all will "ever think of High School and the pleasures at their height" and return for another visit.

## AND NOW THE GRAND FINALE!

With everyone from the cast out front for the final performance, the gaiety and tradition of our circus must end for us, but it is only beginning for others.

With green and gold as its colors and for the flower the talisman rose, the Class of 1950 terminates its days under the Big Top and goes forward with this motto:

"Enter to learn; go forth to serve."
